

26X26MM PLASTIC SQUARE INDICATOR: INDICATOR LIGHT  
WITH SMOOTH LENSE ILLUMINABLE WITH HOLDER RED

|                                         |                      |
|-----------------------------------------|----------------------|
| Design of the product                   | Single device square |
| Enclosure:                              |                      |
| Number of command points                | 0                    |
| Actuator:                               |                      |
| Design of the operating mechanism       | indicator light      |
| Product extension optional Light source | Yes                  |
| Color                                   |                      |
| • of the actuating element              | Red                  |
| Material of the actuating element       | plastic              |
| Shape of the actuating element          | Flat lens            |
| Number of switching positions           | 0                    |
| Front ring:                             |                      |
| Product component front ring            | No                   |
| Holder:                                 |                      |
| Material of the holder                  | Plastic              |
| General technical data:                 |                      |
| Product function                        |                      |

|                                                                     |                   |
|---------------------------------------------------------------------|-------------------|
| • EMERGENCY OFF function                                            | No                |
| • EMERGENCY STOP function                                           | No                |
| Protection class IP                                                 | IP66              |
| Vibration resistance                                                |                   |
| • acc. to IEC 60068-2-6                                             | 20 ... 200 Hz: 5g |
| Equipment marking                                                   |                   |
| • acc. to DIN 40719 extended according to IEC 204-2 acc. to IEC 750 | H                 |
| • acc. to DIN EN 61346-2                                            | P                 |
| • acc. to DIN EN 81346-2                                            | P                 |

#### Connections/ Terminals:

|                                                |                 |
|------------------------------------------------|-----------------|
| Tightening torque of the screws in the bracket | 0.9 ... 1.1 N·m |
|------------------------------------------------|-----------------|

#### Ambient conditions:

|                                                           |                |
|-----------------------------------------------------------|----------------|
| Ambient temperature                                       |                |
| • during operation                                        | -25 ... +70 °C |
| • during storage                                          | -40 ... +80 °C |
| Environmental category during operation acc. to IEC 60721 | 3K6            |

#### Installation/ mounting/ dimensions:

|                                   |                |
|-----------------------------------|----------------|
| Mounting type                     | front mounting |
| Shape of the installation opening | square         |
| Mounting height                   | 7 mm           |
| Installation width                | 30 mm          |
| Installation depth                | 29 mm          |

#### Certificates/approvals

| General Product Approval                                                                   | Declaration of Conformity                                                                  | Test Certificates                                                                               | Shipping Approval                                                                            |
