

SIMATIC S7-400, IM461-0 RECEIVER INTERFACE MODULE, FOR  
CENTRALIZED CONNECTION W/O PS TRANSMISSION, WITH K  
BUS

Figure similar

| Input current                                              |            |
|------------------------------------------------------------|------------|
| from backplane bus 5 V DC, max.                            | 290 mA     |
| Hardware configuration                                     |            |
| Cable length between first and last interface module, max. | 5 m        |
| Dimensions                                                 |            |
| Width                                                      | 25 mm      |
| Height                                                     | 290 mm     |
| Depth                                                      | 217 mm     |
| Weights                                                    |            |
| Weight, approx.                                            | 610 g      |
