

EMC MODULE, SIZE S00 575 V 50/60 HZ 5.5 KW, RC CIRCUIT

Figure similar

| General technical data:                       |    |                  |
|-----------------------------------------------|----|------------------|
| product brand name                            |    | SIRIUS           |
| Product designation                           |    | surge suppressor |
| Design of the surge suppressor                |    | with varistor    |
| Control circuit/ Control:                     |    |                  |
| Type of voltage of the control supply voltage |    | AC               |
| Control supply voltage frequency              |    |                  |
| • 1 rated value                               | Hz | 50               |
| • 2 rated value                               | Hz | 60               |
| Control supply voltage 1                      |    |                  |
| • at AC                                       |    |                  |
| — at 50 Hz rated value                        | V  | 575              |
| — at 60 Hz rated value                        | V  | 575              |
| Certificates/ approvals:                      |    |                  |

| General Product Approval                                                          |                                                                                   |                                                                                   | Functional Safety/Safety of Machinery      | Declaration of Conformity                                                                       | Test Certificates                             |
