|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product type designation | Distance piece for RF620T                                                                                                                                                             |
| Product description      | Support for mounting transponders with a size of 127 mm x 38 mm and 12 mm distance to metal<br>SIMATIC RF600 DISTANCE HOLDER FOR RF620T 155 X 38 X 12 MM (LXWXH), -25 UP TO +70 DGR C |

|                                      |                                                                                                                                         |
|--------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Suitability for use                  | The support is mounted using two M5 screws or 2 cable clamps. The transponder is snapped into place and can also be secured with screws |
| Mechanical data                      |                                                                                                                                         |
| Material                             | PP                                                                                                                                      |
| Color                                | anthracite                                                                                                                              |
| Permitted ambient conditions         |                                                                                                                                         |
| Ambient temperature                  |                                                                                                                                         |
