

Oprawa pojedyncza

Single luminaire of the TECTON T IP64 mounting rail. For illuminating small, segregated room zones or single task areas in the TECTON design. Corrosion-protected mounting rail made of roll-formed, hot-dip galvanised sheet steel with zinc-magnesium coating and polyester lacquer finish in white. Scope of delivery includes mounting rail, end cap set, 6 floating connection terminals (3 poles for mains connection, 2 poles for brightness control, 1 pole for continuous phase for emergency light with local battery supply) and 6 protective tubes. Individually configurable with TECTON C IP64 continuous row luminaires of length L2018 and TECTON ceiling fixing elements (to be ordered separately). Dimensions: 2018 x 60 x 58 mm. Weight: 2.9 kg
